Certificate of Appreciation

We would like to thank LWC Industries Pte Ltd
for their excellent performance on the

Pre-cast Concrete Architectural Cladding

for

CSP FAB Building at Woodlands

Together with LWC, we have achieved considerable savings
on the construction time and manpower resource.
We were also able to maintain our high standards of
site safety and workmanship.

LWC has shown a high level of professionalism and keen
appreciation in the design, production and installation aspects of
their work. Its teamwork spirit has contributed to
our successful completion of this complex and prestigious project.
