

# Main Contractors: SembCorp Construction CSP FAB Building at Woodlands

## Letter of Appreciation

We would like to thank

*LWC Industries Pte Ltd*

for contributing to the successful completion of

**CSP FAB Building at Woodlands**

As our works contractor, LWC  
supplied and installed the  
**Precast Concrete Fascia Cladding System.**

Precast technology was one of the many innovative  
construction methods adopted in the project  
to achieve a highly buildable building.
